Code of Conduct for Adult Paddlers

We want all members of the club to enjoy participating in paddlesport in a safe and supportive environment. We ask all members to read the following code of conduct and agree to abide by it.

1. Please be courteous and inclusive so that all members, especially those who are younger or less experienced, are encouraged to learn and make the most of their participation in the activities.
2. Please help with setting up at the start of sessions and packing away at the end.
3. Please follow the coaches' or leaders' instructions to ensure your safety and the safety of the other paddlers in the group, both on and off the water.
4. When out on the water, please stay reasonably close to the other members of the group or at least within calling distance or within line of sight.
5. Be correctly dressed, wearing the appropriate personal protective equipment for each activity. If in doubt, please ask for advice.
6. Please take care of any equipment allocated to you by the club and offer to repair or replace it if lost or damaged.
7. Please familiarise yourself with "The Paddler's Code" issued by British Canoeing and which can be found at <https://paddlerscode.info/>

Have fun out there and be safe!
